

The Bratislava and Surroundings Regional Committee of OMEP

Plan of activities for 2010

Plan of activities is based on the last year's plan, using mainly activities which proved to be successful (excursions) and activities which were not completed last year (exhibition of children's paintings)

1) Foreign activities – several OMEP members from Slovakia will attend the XXVI World Congress in Sweden

T: August 2010

2) Slovak national activities – attending the Slovak National OMEP Conference

T: Autumn 2010

3) Activities aiming at improving the early childhood education and care in kindergartens

- School educational programme - its application and employee assessment

T: May 2010

4) Activities aiming at improving the school management

- To become familiar with the new legislation and its application – changes in legal regulations and expected future changes – workshop

T: October 2010

5) Activities with children

Spring – traditional thematic exhibition of children's paintings

The exhibition will take place in MŠ Šulekova or (in case the Mayor participates) it will take place at the exhibition space in Bratislava Old Town

T: April 2010

6) Activities aimed at public

- Presenting and promoting the work of the Committee - mainly by publishing new materials on the web page

- The exhibition of children's paintings - available to public

7) Fellowship activities

- The aim is to become familiar with early childhood education and care in different regions and countries – Hungary – 1-day visit to kindergartens in Hungary

T: March - April 2010

8) Activities inside OMEP

- To invite members from other boroughs of Bratislava to join the Regional Committee
- To maintain contacts between all members throughout the year
- To ensure that the Regional Committee meets at least 4 times a year

Bratislava, 10 December 2009
